4. TECHNICAL INFORMATION

- a. Anyone can participate, being an orienteer or not, members or not members of orienteering Clubs.
- b. The Event will be available in two classes: **Beginner (Easy) and Experienced (Difficult)** - no gender or age distinction.
- d. Questions with challenges involving the following will be presented:
 - Orienteering videos;
 - Orienteering maps with courses;
 - Images and photographic survey;
 - Google Earth and Google Maps images;
 - Precision Orienteering Techniques;
 - Questions about ISOM 2017-2 (International Specifications for Orienteering Maps);
 - ISSprOM 2019 Questions (International Specification for Sprint Orienteering Maps).
- e. The challenges proposed in each question of the competition will count points according to its degree of difficulty.
- f. At the end of the counting, we will have a ranking in numerical order of the participants according to the number of correct answers.
- g. The **time factor**, that the athlete took to perform the course, will be used in case of a tie (participants with the same number of points).
- h. The participant will have a maximum time period of 1 (one) hour and 30 minutes to complete the course.
- i. The course **opens at 4 pm and closes at 8 pm on 08/08/2020 (Saturday)**. – **Brazilian time (Brasilia)**. After 8 pm starts will no longer be accepted.
